WELCOME LETTER

Dear Colleagues,

*It is our pleasure to welcome you to the **21st European Congress of Psychiatry** taking place 6-9 April 2013, in the exciting city of Nice, France. **This Congress marks the 30th Anniversary of the European Psychiatric Association.***

*Following our tradition, the cities we visit for the **European Congress of Psychiatry** have a special relationship or history connected with psychiatry. EPA offers you a high-quality, multidisciplinary scientific programme that will provide a full review of the most important aspects of diagnosis and treatment in psychiatry, and of the latest achievements in this field.*

The motto “Europe Challenges the Burden of Mental Disorders” is a call to contribute to the European psychiatrists’ efforts to improve mental health in Europe.

Congress highlights will therefore include Plenary Lectures, Pro & Con Debates, Symposia, Workshops, Free Communication Sessions, a dedicated European Early Career Psychiatrists Programme, CME Academia Courses and Sponsored Symposia organised by leading pharmaceutical companies.

As a part of EPA’s educational activities, webcasts and e-Posters will be available on the website after the Congress. They will allow you to access and refer to these presentations at any time.

EPA has already gone green and now we are going healthy! Participants are encouraged through an array of activities, a detailed healthy menu and meeting scientific content, to take part in the promotion of healthy lifestyles, both for their benefit as well as the benefit of their patients.

We welcome you to the 21st European Congress of Psychiatry in the Mediterranean city of Nice!

Danuta Wasserman

EPA President
Chair, Scientific
Programme Committee

Patrice Boyer

EPA Past President

Philippe Courtet

Local Organising
Committee Chair

ACKNOWLEDGEMENTS

EPA wishes to express its gratitude for the contribution and support of the following healthcare industries:

DIAMOND SPONSOR

PLATINUM SPONSOR

GOLD SPONSORS

Otsuka Pharmaceutical Europe Ltd.

SILVER SPONSORS

Working in alliance to bring innovative treatments to people affected by mental illness

GENERAL INFORMATION

CONGRESS VENUE

Nice - Acropolis
1 Esplanade Kennedy
Nice, Cedex 4
France
Tel: +33 (0) 4 93 92 83 00
Fax: +33 (0) 4 93 92 82 55

LANGUAGE

English is the official language of the Congress.

REGISTRATION DESKS

Registration desks are situated on the ground floor of the Congress venue and will operate during the following hours:

Saturday, 6 April	10:00 - 20:30
Sunday, 7 April	07:00 - 19:00
Monday, 8 April	06:30 - 20:30
Tuesday, 9 April	07:30 - 18:30

HOSPITALITY DESK

A Hospitality Desk situated in the Registration area, offering local city information to Congress participants will operate during the following hours:

Saturday, 6 April	10:00 – 16:00
Sunday, 7 April	08:30 – 16:00
Monday, 8 April	08:30 – 16:00
Tuesday, 9 April	08:30 – 16:00

EPA BOOTH OPENING HOURS

The EPA booth is located in the exhibition area and will be open at the following times:

Sunday, 7 April	09:00 - 17:00
Monday, 8 April	09:00 - 17:00
Tuesday, 9 April	09:00 - 17:00

NAME BADGE

Upon registration you will receive your name badge. You are kindly requested to wear your badge during the entire Congress in order to have access to the Congress halls and exhibition area.

ABSTRACT USB KEY

All accepted abstracts are published in an online supplement of the **European Psychiatry** Journal as well as on a USB Key published by Elsevier. Please approach the Takeda Booth located in the Exhibition area to collect your USB of abstracts; vouchers to collect USB Keys will be included in the participants' bags. Abstract viewing stations are available near the poster help desk in the Poster Area.

INTERNET ZONE & WIFI

Free internet facilities and WIFI are available to all Congress participants in the exhibition area, during exhibition opening hours. Please do be considerate of fellow participants when using these facilities.

MOBILE PHONES

Mobile phones must be switched off or muted during all sessions.

NOTICE BOARD/MESSAGES

Updates and notifications will be posted during the Congress on a notice board near the registration area on the ground floor of the Congress venue. Participants are also welcome to use this space to place messages for colleagues.

SMOKING POLICY

Smoking is prohibited throughout the Congress venue. Please be considerate of the rules of the venue and your fellow participants.

LIABILITY AND INSURANCE

The Congress Secretariat and Organisers cannot accept liability for personal accidents or loss of or damage to private property of participants. Participants are advised not to leave their personal belongings unattended in session halls and throughout the Congress venue.

CARING FOR THE ENVIRONMENT

It is our belief that by employing a Green Culture in the workplace we can duplicate this culture and the responsibilities it entails. Organising green Congresses all over Europe is a real challenge as green is not only the onsite conduct but the suppliers we are using, the source of the raw materials, the methods of production, management of waste, shipping vs. using local products and fair management of labour throughout the supply chain.

CERTIFICATE OF ATTENDANCE & CONGRESS ACCREDITATION

CERTIFICATE OF ATTENDANCE

Certificates of attendance will be available at the pre-paid registration stations from 14:00 on Monday, 8 April until the end of sessions on Tuesday, 9 April.

Participants are requested to scan the barcode on their name tags at the machine and the certificate will automatically be printed with the participant's name. Hostesses will be available to assist you.

CONGRESS ACCREDITATION

Accreditation Statement and Credit Designation

*European Accreditation Council for Continuing Medical Education
(UEMS/EACCME)*

The 21st European Congress of Psychiatry EPA2013 has been accredited by the European Accreditation Council for Continuing Medical Education (EACCME) to provide the following CME activity for medical specialists. The EACCME is an institution of the European Union of Medical Specialists (UEMS): www.uems.net.

EPA2013 is designated for a maximum of, or up to, **18 European CME credits (ECMEC)**. Each medical specialist should claim only those hours of credit that he/she actually spent in the educational activity.

American Medical Association (AMA)

Through an agreement between the European Union of Medical Specialists and the American Medical Association, physicians may convert EACCME credits to an equivalent number of AMA PRA Category 1 Credits™. Information on the process to convert EACCME credit to AMA credit can be found at www.ama-assn.org/go/internationalcme.

Royal College of Physicians and Surgeons of Canada

Live educational activities, occurring outside of Canada, recognised by the UEMS-EACCME for ECMEC credits are deemed to be Accredited Group Learning Activities (Section 1) as defined by the Maintenance of Certification Program of The Royal College of Physicians and Surgeons of Canada. For more information, visit: www.royalcollege.ca.

Target Audience

Psychiatrists and mental health care specialists, with a special programme for those entering the profession with the European Early Career Psychiatrists track.

Credit Breakdown

Each participant should claim only those hours of credit that he/she actually spent in the educational activity.

Day	Maximum Credits
Sunday, 7 April	6
Monday, 8 April	6
Tuesday, 9 April	6
Total Credits:	18

To Receive Your CME/CPD Certificate for the Congress

Your CME/CPD certificate for up to 18 European CME Credits will be delivered electronically after completing the educational evaluation and credit claiming procedure. The process will take 5-10 minutes. We thank you for your feedback as it is an important part of the CME/CPD accreditation process and helps improve future educational offerings. After the Congress a link for the online evaluation form will be sent to all participants. Upon completion of the online evaluation, your CME/CPD certificate will be automatically emailed to you.

Disclosure and Resolution of Personal Conflicts of Interest

In accordance with CME/CPD accreditation criteria and standards for commercial support to ensure balance, independence, objectivity, and scientific rigor in CME/CPD activities, those in control of the educational content must disclose potential or actual conflicts of interest, whether due to a financial or other relationship. Presenters have been asked to include a disclosure slide at the beginning of their presentation. Participants will be asked on the evaluation to assess the objectivity and independence of the event.

Industry Support Disclosure

This event is supported, in part, by funding from industry. All support is managed in strict accordance with CME/CPD accreditation criteria and standards for commercial support. Appropriate acknowledgement of all supporting organisations is made in the programme guide, on the event website, and with signage during the event. Disclosure is made to participants prior to the activity.

Industry support information is available on pages I-XXVI of the Final Programme and also on the Congress website at www.epa-congress.org.

Commitment to the Highest Standards in CME/CPD

Kenes is committed to being a valuable and knowledgeable partner in the design and delivery of educationally strong, independent, transparent, and effective CME/CPD programmes. Kenes is a proud member of the Good CME Practice Group (gCMEp), a member organisation contributing to improving health outcomes by:

- Championing best practice in CME
- Maintaining and improving standards
- Mentoring and educating
- Working in collaboration with critical stakeholders

CME COURSES ACCREDITATION AND CERTIFICATE

CME Courses will be held throughout the Congress. Pre-registration for Courses is required. Participants of the Courses are requested to present their Course ticket at the entrance of the appropriate hall.

ACCREDITATION

Accreditation Statement and Credit Designation

European Accreditation Council for Continuing Medical Education (UEMS/EACCME)

The 21st European Congress of Psychiatry EPA2013 CME Courses have been accredited by the European Accreditation Council for Continuing Medical Education (EACCME) to provide the following CME activity for medical specialists. The EACCME is an institution of the European Union of Medical Specialists (UEMS): www.uems.net.

The CME Courses are designated for a maximum of, or up to, **3 European CME credits (ECMEC)**. Each medical specialist should claim only those hours of credit that he/she actually spent in the educational activity.

American Medical Association (AMA)

Through an agreement between the European Union of Medical Specialists and the American Medical Association, physicians may convert EACCME credits to an equivalent number of AMA PRA Category 1 Credits™. Information on the process to convert EACCME credit to AMA credit can be found at www.ama-assn.org/go/internationalcme.

Royal College of Physicians and Surgeons of Canada

Live educational activities, occurring outside of Canada, recognised by the UEMS-EACCME for ECMEC credits are deemed to be Accredited Group Learning Activities (Section 1) as defined by the Maintenance of Certification Program of The Royal College of Physicians and Surgeons of Canada. For more information, visit: www.royalcollege.ca.

CERTIFICATE OF ATTENDANCE AT COURSES

A Certificate of Attendance at CME Courses will be given by the hostess only to participants who submit their Course Evaluation form at the conclusion of the Course.

E-POSTERS

EPA is pleased to continue this presentation tool in order to highlight the outstanding posters.

Participants and members will be granted access to an advanced e-Poster platform, which provides user-friendly access to a large number of selected posters online, during and after the Congress.

Users will be able to browse by poster sections and features educational tools such as searching for specific content, being able to comment on posters and ask questions to the authors. When permitted by the authors, posters will be available for download in PDF format.

e-Poster viewing stations will be available at the Poster Area.

All posters selected for e-Poster presentation will also be presented as regular posters, and can be viewed in the Poster area.

These selected posters are marked with  in the Final Programme.

E-POSTER ORAL PRESENTATIONS

From the hundreds of abstracts selected for e-Poster presentation, a selected number of e-Posters have been selected for a short oral presentation, including 2-3 slides to present the poster.

There will be 14 e-Poster Oral Presentation Sessions at **EPA 2013**. Each session will include about 24 e-Poster presentations of about 4-5 minutes each. e-Poster Sessions will be held throughout the Congress on Sunday, Monday and Tuesday, covering a wide range of topics.

Please refer to the Final Programme for additional information regarding the posters chosen for e-Poster Sessions, and information regarding time and location of the e-Poster Presentation Sessions.

INFORMATION FOR PRESENTERS

INFORMATION FOR SPEAKERS

All speakers presenting in sessions are kindly requested to submit their presentations to the Speakers' Ready Room at least 1 hour before the start of their session. The Speakers' Ready Room is clearly marked at the Congress venue. Follow the Congress signs to find the location of the Speakers' Ready Room on the 2nd floor.

DATA PRESENTATION

If using a PowerPoint (or any other computer) presentation, please note you need to bring it on a CD, a DVD or on a USB key Memory stick (using the USB port in the computer) and load it on one of the Congress computers in the Speakers' Ready Room, at least 1 hour before the start of the session.

Please note that the Congress computers in the session halls are being supplied with Office 2010.

If combining video films with PowerPoint, please make sure to check it in the session hall where your lecture is taking place during a coffee or lunch break prior to your session, at least 30 minutes before the start of the session - **even after checking it in the Speakers' Ready Room.**

Alternatively you may supply your own laptop computer. In such a case please confirm that it has a VGA socket for external signal and come to update the PowerPoint operator in the Speakers' Ready Room about it as soon as you arrive to the Venue. Later on please test it in the session hall where your lecture is taking place during the coffee or lunch break prior to your session, at least 30 minutes before the start of the session.

Important note for Macintosh users

In order to use MAC presentations on a PC compatible computer please note that you need to prepare it according to the instructions below, before bringing it to the Speakers' Ready Room:

- Use a common font, such as Arial, Times New Roman, Verdana etc. (special fonts might be changed to a default font on a PowerPoint based PC).
- Insert pictures as JPG files (and not TIF, PNG or PICT - these images will not be visible on a PowerPoint based PC).

- Use a common movie format, such as AVI and WMV (MOV files from QuickTime will not be visible on a PowerPoint based PC).

Alternatively you may use your own Macintosh laptop computer. In such a case please confirm you provide it with a **VGA adaptor** for external signal and come to update the PowerPoint operator in the Speakers' Ready Room about it as soon as you arrive to the Venue. Later on please test it in the session hall where your lecture is taking place during the coffee or lunch break prior to your session, at least 30 minutes before the start of the session.

Please note that VHS Video projection, 35 mm' slide projection and Overhead projection (projection of transparencies) will not be available.

INFORMATION FOR e-POSTER PRESENTERS

All abstracts chosen for e-Poster Presentations have been uploaded in a PDF format, prior to the Congress. If you have not submitted your e-Poster prior to the Congress via the online system, please bring it on a USB key to the Speakers' Ready Room, 1 hour before the session starts.

INFORMATION FOR POSTER PRESENTERS

Posters will be on display on three days: Sunday, Monday and Tuesday, with a daily rotation.

Posters should be displayed as per the date and the poster board number in the Final Programme (see pages 187-358).

Posters are to be mounted from 07:30 on the assigned day. Please remove your poster at the conclusion of sessions. Posters presented on Sunday, 7 April may be hung starting Saturday, 6 April in the afternoon.

The Organising Committee will not be responsible for posters that are not removed on time.

Poster presenters are requested to be present at their designated poster board(s) to answer questions during breaks.

ADDITIONAL ACTIVITIES

SATURDAY, 6 APRIL

OPENING CEREMONY

18:30

Apollon Hall, 2nd floor
Nice Acropolis (Congress Venue)

Followed by a

WELCOME RECEPTION

20:00

EUROPEAN EARLY CAREER PSYCHIATRISTS' NETWORKING EVENING

21:00

Mykonos Area, 2nd floor
Nice Acropolis (Congress Venue)

EPA wishes to make first time delegates feel especially welcome into in EPA and enable them to benefit from the Congress to the fullest extent as well as from a valuable opportunity to meet new colleagues.

Tickets at €15 per person are available at the registration desk for all registered participants.

SUNDAY, 7 APRIL

EPA EXTRAORDINARY GENERAL ASSEMBLY & ORDINARY GENERAL ASSEMBLY

18:45

Thallie Hall, 3rd floor

Followed by

ROUND TABLE DINNER OF EPA MEMBERS

Agora, 3rd floor
Nice Acropolis (Congress Venue)

This event is reserved for EPA Members. All EPA Members are invited to meet fellow EPA colleagues of the association in a friendly atmosphere during dinner.

Please collect your invitation for this event from the EPA booth in the Exhibition area.

ABOUT THE EUROPEAN PSYCHIATRIC ASSOCIATION

The European Psychiatric Association (EPA) was founded in 1983. With active members in as many as 75 countries and 33 National Psychiatric Associations who joined as members in 2012, EPA is the main association representing psychiatry in Europe. Its mission is to improve psychiatry and mental health care in Europe. EPA members include leading experts in numerous fields, covered by 20 scientific Sections. EPA's activities address the interests of psychiatrists in academia, research and practice throughout all stages of career development. Together, EPA members contribute to the life of the association and to the development of Psychiatry in Europe. Each member has the possibility to actively contribute to ongoing projects and play a key role in shaping the future of the Association and its policy.

One of the important tasks for a European association is to maintain strong links with other European and international institutions and associations such as the Council of Europe, the World Health Organization (WHO), the European Union (EU), the European Union of Medical Specialists (UEMS), the European College of Neuropsychopharmacology (ECNP), the World Psychiatric Association (WPA), the European Brain Council (EBC), the European Federation of Psychiatric Trainees (EFPT), the European Conference on Schizophrenia Research (ECSR) and several patient and relatives organisations.

MISSION

To improve psychiatry and mental health care in Europe.

ACTIVITIES

EPA accomplishes its mission through the following activities:

- Annual European Congress of Psychiatry
- European Psychiatry journal, published in 8 issues per year, plus supplements
- CME Courses, Summer School, Faculty Workshop and other forms of training under the umbrella of the EPA Academia for Excellence in European Psychiatry

- European Early Career Psychiatrists Programme and other projects aiming to give young professionals a voice in the evolution of training, research and practice standards to enable them to influence their own future and career progress
- A range of grants and prizes in psychiatric research
- 20 Sections, which collect, examine and disseminate information about their respective disciplines
- Cooperation with National Psychiatric Associations through EPA membership
- Practical guidance and position statements on topics of interest to the mental health community and beyond
- Initiatives on improving ethical standards of psychiatric care and practice
- Collaborative activities in partnership with international organisations working in the field of psychiatry and mental health care

ACADEMIA

The EPA Academia for Excellence in European Psychiatry is aimed at developing educational initiatives that will contribute to professional excellence of European Psychiatrists and their adoption of the highest ethical principles in all forms of psychiatric service, education/teaching and research. The activities are defined and developed by the EPA Committee on Education and focus at present on proposing CME courses, organising a Summer School and other forms of training.

The EPA CME Courses Programme intends to increase knowledge, influence attitudes and provide professional and leadership skills to European Psychiatrists. The EPA CME courses are generally 180-minute sessions designed to emphasise learning experiences that actively involve participants and include an opportunity for informal exchange with the faculty. With a view to maintaining the highest quality of its CME courses, EPA initiated in 2010 a special Faculty workshop for the EPA course directors, allowing them to exchange good practices.

EUROPEAN PSYCHIATRIC NETWORK

Launched in 2011 by EPA, **the European Psychiatric Network** is a professional social community that provides exclusive access to a vibrant online exchange of ideas and information about hot topic issues in the psychiatric field. The Network brings with it a host of exclusive benefits, which allows you to:

- View and discuss highlighted e-Posters and webcasts
- Create searchable profiles with your research interests and publications
- Upload poster presentations, images, and videos
- Start or participate in forum discussions
- RSVP to upcoming events in psychiatry
- Gain visibility as an EPA member

To join the exclusive European Psychiatric Network, and begin networking with other European mental health professionals today please visit:

www.europsychiatric.com or scan the QR Code.

PRIZES AND AWARDS

One of EPA's missions is to accompany Early Career Psychiatrists in their professional development. The Association proposes a panel of grants and prizes. The European Psychiatric Association is delighted to award the following prizes at the 21st European Congress of Psychiatry. The Award Ceremony will take place during the Opening Ceremony on Saturday 6 April at 18:30 in Apollon Hall.

2013 RESEARCH PRIZE WINNERS

Six Research Prizes of €2,500 each to Early Career Psychiatrists working in Europe, who published the best scientific papers in 2012, have been awarded to:

Categories 1 & 4: Clinical psychopathology and refinement of psychiatric diagnostic categories and Child and Adolescent Psychiatry

Hilario BLASCO-FONTECILLA, *Spain*

Category 2: Biological correlates and treatments of mental disorders

Danilo ARNONE, *UK*

Boris QUEDNOW, *Switzerland*

Mirjam VAN ZUIDEN, *Netherlands*

Category 3: Psychiatric epidemiology - social psychiatry and psychotherapeutic interventions in mental disorders

Maria MELCHIOR, *France*

Category 4: Child & Adolescent Psychiatry

Torsten KLENGEL, *Germany*

2013 SCHOLARSHIP PROGRAMME FOR EARLY CAREER PSYCHIATRISTS AND TRAINEES

The EPA Scholarship Programme provides a special grant including free congress entrance to the European Congress of Psychiatry, travel expenses, hotel accommodation, complimentary registration for one CME course, invitation to Early Career Psychiatrists Luncheon and free EPA membership in 2013.

The scholarship is available for early career psychiatrists who are either trainees or within 5 years of completion of specialist training in psychiatry and who are working in countries that form part of the World Health Organisation Europe region.

The 2013 scholarship has been awarded to:

Sinan GULOKSUZ, *Turkey*

Katja KOELKEBECK, *Germany*

Dzmitry KRUPCHANKA, *Belarus*

Gaia SAMPOGNA, *Italy*

Margarita TYROPANI, *Greece*

30th ANNIVERSARY TRAVEL AWARDS

EPA is celebrating its 30th Anniversary by handing out 30 Travel Awards for abstract submitters, under the age of 40. The applications were judged based on the scientific merit of the abstract submitted to the Congress. Priority was given to applicants belonging to a national psychiatric association that is a member of EPA's Council of NPAs. The names of the Travel Awards winners are published on the Congress website www.epa-congress.org.

BEST POSTER PRIZES

Ten Poster Prizes of € 300 each will be allocated by the poster award jury.

The selected posters will be displayed and the names of the Poster Prize winners will be published on the congress website www.epa-congress.org.

EPA SECTIONS

EPA has established sections that have their own steering committees. The 20 active EPA sections focus on the different subspecialties of psychiatry.

Their mission is to collect and disseminate information, to establish working relations between individuals and with different national and international bodies working in the same field, and to achieve greater coordination. These Sections can organise their own symposia under the aegis of EPA, and annual conferences in Europe.

The EPA sections are:

- **Addictive Behaviours**
(Chair: Falk Kiefer, Germany)
- **Child and Adolescent Psychiatry**
(Chair: Gil Zalsman, Israel)
- **Consultation Liaison Psychiatry and Psychosomatics**
(Chair: Albert Diefenbacher, Germany)
- **Cultural Psychiatry**
(Chair: Meryam Schouler-Ocak, Germany)

- **Emergency Psychiatry**
(Chair: Pier Maria Furlan, Italy)
- **Epidemiology and Social Psychiatry**
(Chair: Robert Stewart, UK)
- **Forensic Psychiatry**
(Chair: Birgit Völlm, UK)
- **Geriatric Psychiatry**
(Chair: Carlos de Mendonça Lima, Portugal)
- **Neuroimaging**
(Chair: Philip McGuire, UK)
- **Personality and Personality Disorders**
(Chair: Klaus Lieb, Germany)
- **Philosophy and Psychiatry**
(Chair: Giovanni Stanghellini, Italy)
- **Prevention of Mental Disorders**
(Chair: Wolfgang Maier, Germany)
- **Psychopathology**
(Chair: Michael Musalek, Austria)
- **Psychopharmacology**
(Chair: István Bitter, Hungary)
- **Psychotherapy**
(Chair: Fritz Hohagen, Germany)
- **Schizophrenia**
(Chair: Silvana Galderisi, Italy)
- **Sexual Medicine and Mental Health**
(Chair: Marcel Waldinger, the Netherlands)
- **Suicidology and Suicide Prevention**
(Chair: Danuta Wasserman, Sweden)
- **TeleMental Health**
(Chair: Davor Mucic, Denmark)
- **Women, Gender and Mental Health**
(Chair: Anita Riecher-Rössler, Switzerland)

Under the auspices of the Secretary
General of the Council of Europe,
Mr Thorbjørn Jagland

3RD EPA ACADEMIA SUMMER SCHOOL

Comorbidity between mental & physical disorders

ACADEMIA FOR EXCELLENCE IN EUROPEAN PSYCHIATRY

7 - 10 June 2013 Strasbourg, France

30th ANNIVERSARY

European Psychiatric Association - www.europsy.net

EPA NATIONAL SOCIETY/ASSOCIATION MEMBERS

Further to the increased cooperation with National Psychiatric Associations (NPAs) in Europe, EPA has decided, through a change of its Statutes, to offer them the possibility to become full members of EPA.

At present, 33 National Societies/Associations from 30 European countries are members of EPA and compose the EPA Council of NPAs:

AUSTRIA - Austrian Association for Psychiatry and Psychotherapy (President: Christian Haring)

AZERBAIJAN - Azerbaijan Psychiatric Association (President: Nadir Ismayilov)

BELARUS - Belarusian Psychiatric Association (President: Sergey A. Igumnov)

BELGIUM - Flemish Association of Psychiatry (President: Geert Dom)

BOSNIA-HERZEGOVINA - Psychiatric Association of Bosnia-Herzegovina (President: Dragan Babic)

CZECH REPUBLIC - Czech Psychiatric Association (President: Jirí Raboch)

DENMARK - Danish Psychiatric Association (President: Thomas Middelboe)

FINLAND - Finnish Psychiatric Association (President: Minna Valkonen-Korhonen)

FRANCE - French Congress of Psychiatry (President: Jean-Philippe Boulenger)

FRANCE - French Federation of Psychiatry (President: Jean-Jacques Laboutiere)

GERMANY - German Association for Psychiatry and Psychotherapy (President: Wolfgang Maier)

GREECE - Hellenic Psychiatric Association (President: Ioannis Giouzepas)

HUNGARY - Hungarian Psychiatric Association (President: Pál Lehóczky)

IRELAND - College of Psychiatry of Ireland
(President: Anthony McCarthy)

ISRAEL - Israel Psychiatric Association
(President: Moshe Kotler)

ITALY - Italian Psychiatric Association
(President: Claudio Mencacci)

LATVIA - Latvian Psychiatric Association
(President: Elmars Terauds)

LITHUANIA - Lithuanian Psychiatric Association
(President: Alvydas Navickas)

NETHERLANDS - Netherlands Psychiatric Association
(President: Aartjan Beekman)

NORWAY - Norwegian Psychiatric Association
(President: Kari Gjølstad)

POLAND - Polish Psychiatric Association
(President: Janusz Heitzman)

PORTUGAL - Portuguese Society of Psychiatry and Mental Health (President: Maria Luísa Figueira)

ROMANIA - Romanian Association of Psychiatry and Psychotherapy (President: Aurel Nireştean)

RUSSIA - Russian Society of Psychiatrists
(President: Nikolay G. Neznanov)

RUSSIA - Independent Psychiatric Association of Russia
(President: Yury Savenko)

SERBIA - Serbian Psychiatric Association
(President: Slavica Djukic-Dejanovic)

SLOVAKIA - Slovak Psychiatric Association
(President: Livia Vavrusova)

SLOVENIA - Slovenian Psychiatric Association
(President: Peter Pregelj)

SPAIN - Spanish Society of Psychiatry
(President: Miguel Gutiérrez)

SPAIN - Association of Psychiatrists of Spanish Association of Neuropsychiatry (President: Eudoxia Gay Pamos)

SWITZERLAND - Swiss Society for Psychiatry and Psychotherapy (President: Pierre Vallon)

TURKEY - Psychiatric Association of Turkey (President: Tunç Alkın)

UNITED KINGDOM - Royal College of Psychiatrists (President: Sue Bailey)

Further applications

A National Society/Association based in a European country wishing to become a Member is welcome to submit an application to the Secretary General of the EPA, together with a copy of its Statutes translated into English and a declaration signed by its President that reports the number of its own members, and confirms that it is a society or association composed primarily of psychiatrists, and confirms that the promotion of general psychiatry is a significant part of its activities.

Applications for National Society/Association membership have to be approved by a simple majority vote of the Board.

www.europsy.net

EPA MEMBERSHIP

Join EPA for only €100 annual fee

To become an individual member of EPA, you are invited to complete an application form on the EPA website: www.europsy.net.

THE ADVANTAGES OF EPA MEMBERSHIP:

NETWORK

Integrate the network of European scientists and researchers in Psychiatry

- online EPA directory of members
- visibility on European Psychiatric social Network
- annual Membership Round Table
- personal copy of EPA Minds and EPA Minds Online newsletters

LEARN

Keep yourself informed about the latest scientific research and treatments

- free online subscription to the European Psychiatry Journal
- discounted registration fees for the annual European Congress of Psychiatry
- preferential prices for CME courses

CONTRIBUTE

Get involved in the association and take an active part in the development of Psychiatry

in Europe

- 20 scientific sections
- EPA General Assemblies

EPA ADMINISTRATIVE MEETINGS

SATURDAY, 6 APRIL

08:30-10:30	EPA Committee on Ethical Issues Meeting	Galliéni 4
11:00-16:00	EPA Board Meeting	Galliéni 4

SUNDAY, 7 APRIL

08:15-09:45	Early Career Psychiatrists Committee Meeting	Galliéni 4
12:30-14:00	Early Career Psychiatrists Luncheon	Luncheon Room - Med. 4
13:00-14:30	Sections Coordination	Galliéni 4
18:45-21:45	EPA Extraordinary General Assembly and Ordinary General Assembly and Members' Round Table Dinner	Thallie Agora 3

MONDAY, 8 APRIL

10:00-12:15	Committee on Education Meeting	Galliéni 6
12:30-14:00	Academia Luncheon	Luncheon Room - Med. 4

TUESDAY, 9 APRIL

13:30-16:30	Meeting of the EPA Council of the National Psychiatric Associations	Luncheon Room - Med. 4
-------------	---	------------------------

EPA SECTION MEETINGS

The following sections will hold a section meeting during EPA2013, as detailed below. All Section members are cordially invited to attend. Other Congress participants are welcome to attend the Section meetings as observers.

SUNDAY, 7 APRIL

10:00-11:30	Sexual Medicine and Mental Health	Galliéni 4
11:30-12:30	Forensic Psychiatry	Galliéni 4
12:00-13:00	Cultural Psychiatry - Elections -	Galliéni 3
12:00-13:00	Psychotherapy	Thallie
14:30-15:30	Philosophy and Psychiatry	Galliéni 4
15:00-16:00	Epidemiology & Social Psychiatry	Galliéni 3
16:00-17:00	Schizophrenia	Galliéni 4
17:15-18:15	Psychopharmacology	Galliéni 3
18:00-19:00	Geriatric Psychiatry	Galliéni 4

MONDAY, 8 APRIL

12:00-13:00	Addictive Behaviours	Galliéni 3
12:30-13:30	Child and Adolescent Psychiatry	Galliéni 6
13:15-14:15	Neuroimaging - Elections -	Galliéni 3
13:30-14:30	Women, Gender and Mental Health - Elections -	Galliéni 6
16:00-17:30	Suicidology and Suicide Prevention - Elections -	Galliéni 6

TUESDAY, 9 APRIL

09:30-10:00	Psychopathology	Galliéni 5
09:30-10:00	Consultation Liaison Psychiatry and Psychosomatics	Galliéni 4
12:45-13:45	TeleMental Health	Galliéni 6

EPA CME ACADEMIA COURSES

All courses below require pre-registration.
EPA members can register for 2 courses for the price of 1. Please contact the registration desk for additional information regarding availability of courses and registration.

SATURDAY, 6 APRIL

13:00-16:30

First Steps in the Management of Eating Disorders: Active Collaboration and Assessment with Patient and Family	Erato
Taking Care of Ourselves: Managing Stress, Preventing Burnout	Uranie
Integrated Dual Disorder Treatment (IDDT) for Patients with Severe Mental Illness (SMI) and Substance Abuse	Calliope
Problem Solving in Psychopharmacotherapy Using Pharmacokinetic and Pharmacogenetic Tests	Thallie
How to Write a Successful Grant Application for EU Funded Research Projects	Galliéni 5
Risk Assessment and Risk Management in General Psychiatry	Med. 1
The Pharmacological Management of Mood Disorders and Psychosis in Pregnancy and Lactation	Med. 3
Cognitive-Behavioural Treatment of Obsessive-Compulsive Disorder	Galliéni 1+2

SUNDAY, 7 APRIL

08:00-11:30

Leadership Skills in Psychiatry	Med. 1
---------------------------------	--------

15:00-18:30

Understanding & Treating Alcoholism: New Data - New Approaches	Med. 1
---	--------

MONDAY, 8 APRIL

08:00-11:30

Writing, Publishing and Reviewing a Clinical Scientific Paper - Part I	Med. 1
Suicide Prevention: from the Evaluation of Suicidal Risk to Diagnosis and Treatment	Med. 2

15:00-18:30

Writing, Publishing and Reviewing a Clinical Scientific Paper - Part II	Med. 1
Understanding Psychosis : A Psychopathological Guide for Clinical Examination	Med. 2

TUESDAY, 9 APRIL

08:00-11:30

Managing Comorbid Depression and Diabetes	Med. 1
Interpersonal Psychotherapy (IPT) of Depression	Med. 4

15:10-18:30

Management of the Depressed Adolescent	Med. 1
--	--------

CERTIFICATE OF ATTENDANCE AT CME COURSES

CME Courses will be held throughout the Congress. Pre-registration for Courses is required. Participants of the Courses are requested to present their Course ticket at the entrance of the appropriate hall. A certificate of Attendance at CME Courses will be given by the hostess only to participants who submit their Course Evaluation form at the conclusion of the Course.

EUROPEAN EARLY CAREER PSYCHIATRISTS (EECP)

EECP NETWORKING AREA

The European Early Career Psychiatrists (EECP) Networking Area situated at Mykonos is dedicated to Early Career Psychiatrists and Trainees, offering the opportunity for networking.

The networking area will also have the designated hall (Galliéni 1+2) for the European Early Career Psychiatrists Programme sessions. The area is located on the 2nd floor, and will be open at the following times:

Sunday, 7 April 08:00-18:30

Monday, 8 April 08:00-18:30

Tuesday, 9 April 08:00-18:30

Kindly note that all sessions EECP Programme Sessions will be held in Galliéni 1+2 Hall.

EECP PROGRAMME

SATURDAY, 6 APRIL

21:00

European Early Career Psychiatrists Networking Evening

SUNDAY, 7 APRIL

10:00-11:30

Conversations with Prof. Norman Sartorius - Changes in Mental Health Care over the Last 40 Years and my Predictions for Future

15:00-16:30

Court Debate - Mental Illnesses are Disorders of the Brain

17:00-18:30

Workshop - A Roadmap for Mental Health Research in Europe: from the Theory to the Practice of Research

MONDAY, 8 APRIL

10:00-11:30

Training Workshop - Psychopathological Assessment of Psychotic Phenomena

15:00-16:30

Symposium - I Don't Want to Talk About it! The Role of Stigma on Suicide Prevention

17:00-18:30

Workshop - How to Overcome Post-Traumatic Stress after Experiencing an Earthquake

TUESDAY, 9 APRIL

10:00-11:30

Court Debate - Psychiatrists Should Not Treat Patients with Alcohol-Related Problems

15:10-16:40

Conversations with Prof. Andreas Erfurth - From Folie Circulaire to Enlarged Bipolar Spectrum – and What Next?

17:00-18:30

Symposium - What Works in Mental Health? The Role of Non-Specific Elements

Satellite Symposium by CONTINUUM

SCIENTIFIC PROGRAMME OVERVIEW

The EPA 2013 Scientific Programme is composed of 5 main tracks; each track is composed of a variety of Plenary, State of the Art, Pro & Con Debates, Symposia, and Workshops sessions:

Research Track – composed of sessions with a focus on current research trends in psychiatry.

Clinical / Therapeutic Track – offers participants updated, state of the art, clinical and therapeutic information which is based on research and linked to daily practice.

Educational Track – the sessions in this track provide an update on developments in the field and the opportunity for exchange of ideas between participants and speakers.

ECP Educational Track – the sessions in this track are the sessions of the European Early Career Psychiatrists Programme. Learn more about the EECPP Programme on pages 34-35.

European Track – the sessions in this track will deal with common issues for psychiatrists from across Europe and will therefore be of particular interest for members of the National Psychiatric Associations.

The Scientific Programme will also include:

Free Communications Sessions - there are 19 Free Communications Sessions classified by topics, in which the authors of selected outstanding abstracts will give a talk.

Sponsored Sessions – there are 13 Satellite Symposia organised by pharmaceutical companies in consultation with the Scientific Programme Committee. Learn more about the Satellite Symposia on pages 36-37.

E-Posters – there are 14 e-Poster sessions classified by topics, in which outstanding posters will be presented electronically and orally.

Posters – with a daily rotation, authors have been invited to present their new research findings or important ongoing research as posters. Poster information is available on pages 187-358.

Symposium

METABOLIC AND PHARMACOGENETIC DETERMINANTS IN THE EFFECTIVENESS OF PSYCHOTROPIC DRUGS

Chairpersons: P. Baumann, *Prilly-Lausanne, Switzerland*
I. Bitter, *Budapest, Hungary*

Abstract No

- 08:00 **RISKS FOR INTERACTIONS IN COMBINATION THERAPY: HOW TO MINIMISE THEM**
P. Baumann, *Prilly-Lausanne, Switzerland* 2457
- 08:20 **GUIDELINES FOR PHARMACOGENETIC TESTINGS AND THEIR IMPLEMENTATION IN PSYCHIATRY**
J.V.D. Weide, K.V.D. Weide, *Harderwijk, The Netherlands* 550
- 08:40 **THERAPEUTIC DRUG MONITORING AND PHARMACOGENETIC TESTS AS TOOLS IN PHARMACOVIGILANCE.**
E. Jaquenoud Sirot¹, P.L. Stephan¹, C.B. Eap²,
P. Baumann², ¹Brugg, ²Lausanne, Switzerland 2423
- 09:00 **THE ROLE OF P-GLYCOPROTEIN IN PSYCHIATRIC DISORDERS: A RELIABLE GUARD OF THE BRAIN?**
O. de Klerk, *Assen, The Netherlands*
- 09:20 **DISCUSSION**
- 09:30 *Coffee Break, Viewing Posters & Visiting the Exhibition*

Workshop

THE LONG-TERM OUTCOME OF SCHIZOPHRENIA: CONTRIBUTIONS FROM EUROPEAN COUNTRIES

Chairpersons: **S. Galderisi**, *Naples, Italy*
W. Gaebel, *Duesseldorf, Germany*

Abstract No

- 08:00 **RESULTS OF THE MUNICH 15 YEAR FOLLOW-UP STUDY ON SCHIZOPHRENIC PATIENTS: OUTCOME CHARACTERISTICS AND THEIR PREDICTORS**
H.J. Möller, *Munich, Germany*
- 08:20 **OUTCOMES IN SCHIZOPHRENIA FROM A LIFESPAN PERSPECTIVE. THE NORTHERN FINLAND 1966 BIRTH COHORT STUDY AND OTHER FINNISH STUDIES**
M.K. Isohanni¹, J. Miettunen¹, J. Veijola¹, J. Moilanen¹, H. Koponen², A. Alaräisänen¹, S. Huhtaniska¹, D. Cowling¹, P. Juola¹, I. Rannikko¹, A. Husa¹, M. Penttilä¹, E. Jääskeläinen¹, ¹*Oulu*, ²*Kuopio, Finland* 2427
- 08:40 **LONG-TERM OUTCOME OF SUBJECTS WITH PRIMARY AND PERSISTENT NEGATIVE SYMPTOMS**
A. Mucci, S. Galderisi, M. Maj, Italian Network for the Deficit Schizophrenia, *Naples, Italy* 1976
- 09:00 **REMISSION IN LONG TERM FOLLOW UP AFTER FIRST EPISODE OF SCHIZOPHRENIA**
A. Uçok, *Istanbul, Turkey* 2472
- 09:20 **DISCUSSION**
- 09:30 *Coffee Break, Viewing Posters & Visiting the Exhibition*

Monday, 8 April 2013

08:00-09:30

Hermès

Symposium

INTEGRATING PREVENTION OF MENTAL ILLNESS INTO PRACTICE - THE ROLE OF THE PSYCHIATRIST AND OTHER MENTAL HEALTH PROFESSIONALS

Chairpersons: N. Manning, *Nottingham, UK*
J. Campion, *London, UK*

Abstract No

- | | | |
|-------|---|------|
| 08:00 | THE EPA GUIDANCE ON PREVENTION OF MENTAL DISORDER AND THE USE OF EVIDENCE-BASED INTERVENTIONS
J. Campion, <i>London, UK</i> | 2511 |
| 08:20 | IMPLEMENTATION OF PREVENTION OF MENTAL ILLNESS PROGRAMMES ACROSS EUROPE - CHALLENGES AND BEST PRACTICE FOR MENTAL HEALTH PROFESSIONALS (EUROPOPP-MH PROJECT)
C. Samele, <i>Nottingham, UK</i> | 2504 |
| 08:40 | PREVENTION AND PROMOTION BY MENTAL HEALTH PROFESSIONALS - THE GERMAN CASE
T. Becker, P. Kling Lourenco, <i>Guenzburg, Germany</i> | 2463 |
| 09:00 | PREVENTION OF MENTAL ILLNESS AND THE NEED TO INCREASE PARTICIPATION OF PSYCHIATRISTS - THE PORTUGUESE EXPERIENCE
J. Gago, <i>Lisbon, Portugal</i> | 2495 |
| 09:20 | DISCUSSION | |
| 09:30 | <i>Coffee Break, Viewing Posters & Visiting the Exhibition</i> | |

Monday, 8 April 2013

08:00-09:30

Thallie

Symposium

LIMITATIONS AND ADVANCES IN THE TREATMENT OF SEXUAL DISORDERS

Chairpersons: **M. Waldinger**, *Utrecht, The Netherlands*
Z. Zemishlany, *Tel Aviv, Israel*

Abstract No

08:00	THE PLACEBO EFFECT IN SEXUAL MEDICINE Z. Zemishlany ^{1,2} , ¹ <i>Petah Tikva</i> , ² <i>Tel Aviv, Israel</i>	969
08:20	WHY CAN'T WE CURE LIFELONG PREMATURE EJACULATION? M.D. Waldinger , <i>Utrecht, The Netherlands</i>	1486
08:40	STRENGTH AND LIMITATIONS OF DSM-5 CLASSIFICATION OF SEXUAL DISORDERS R.T. Segraves , <i>Beachwood, OH, USA</i>	495
09:00	THOUGHTS ABOUT THE BURDEN OF SEXUAL DYSFUNCTIONING R. Balon , <i>Detroit, MI, USA</i>	684
09:20	DISCUSSION	

09:30 *Coffee Break, Viewing Posters & Visiting the Exhibition*

Monday, 8 April 2013

Galliéni 4

Symposium

CONSEQUENCES OF CHILDHOOD ADVERSITY

Chairpersons: P. Pregelj, *Ljubljana, Slovenia*
M. Agius, *Cambridge, UK*

Abstract No

08:00 **WAR AND CHILDHOOD ADVERSITY**
M. Agius^{1,2}, ¹Cambridge, ²Bedford, UK 1348

08:20 **CHILDHOOD ADVERSITY AND SUICIDAL BEHAVIOUR**
P. Pregelj, V.A. Kozak, T. Zupanc, A. Videtic Paska,
Ljubljana, Slovenia 2440

08:40 **EARLY LIFE ADVERSITY AFFECTS BRAIN
STRUCTURE AND FUNCTION**
A. Carballido, D. Lisiecka, F. Amico, T. Frodl, *Dublin,
Ireland* 2109

09:00 **WAR TRAUMA EXPOSURE IN CHILDHOOD**
M. Hasanović, *Tuzla, Bosnia-Herzegovina* 2130

09:20 **DISCUSSION**

09:30 *Coffee Break, Viewing Posters & Visiting the Exhibition*

Monday, 8 April 2013

08:00-09:30

Galliéni 5

Workshop

20 YEARS OF IMPROVING PSYCHIATRIC TRAINING IN EUROPE - THE EUROPEAN FEDERATION OF PSYCHIATRIC TRAINEES EFPT

Chairpersons: C. Hanon, *Antony, France*
J. Beezhold, *Norwich, UK*

Abstract No

- 08:00 **THE EXCITING JOURNEY FROM AN INFORMAL MEETING TO A NGO**
K. Treichel, *Berlin, Germany*
- 08:20 **CURRENT ACTIVITIES OF EFPT AND HOW TO GET INVOLVED**
F. Riese^{1,2}, ¹Brussel, Belgium, ²Zurich, Switzerland 492
- 08:40 **THE IMPACT OF EFPT ON NATIONAL TRAINEE ASSOCIATIONS - THE FRENCH EXAMPLE**
A. Pontarollo, *Grenoble, France* 3011
- 09:00 **HOW EFPT HELPS TO IMPROVE PSYCHIATRIC EDUCATION IN EUROPE - THE UEMS PERSPECTIVE**
M.H.M. Hermans, *Mechelen, Belgium* 2611
- 09:20 **DISCUSSION**

leading experts in Psychiatry

Videos – a range of video podcasts with
leading experts in Psychiatry

E-Learning [launching summer 2013]

About Us

Mental Healthcare TV (MHCTV) was launched in January 2012 as an online multimedia educator for Mental Health professionals globally. MHCTV has grown rapidly to provide audio podcasts, videos, and e-learning programmes to a range of Mental Health specialists, to not only present current research through new technologies, but also to bridge the gap between primary, secondary and community care settings.

Our Vision

Our vision is to improve patient outcomes through better Continuing Medical Education (accredited and non-accredited) powered by technology across care settings, and our mission is to provide video and e-learning services to every Mental Health professional globally.

Poster Session 1 Addictive Behaviours

Board No.

Abstract No.

- 1 **IMPACT OF ATTENTION-DEFICIT HYPERACTIVITY DISORDER "ADHD" ACROSS LIFESPAN ON SUBSTANCE USE DISORDERS "SUD"**
A. Abdelkarim, H. Salama, **S. Abdel Latif**,
O. Abou El Magd, *Alexandria, Egypt* 2709
- 2 **PREVALENCE AND CHARACTERISTICS OF ADULT ATTENTION-DEFICIT HYPERACTIVITY DISORDER AMONG SUBSTANCE USE INPATIENTS**
A. Abdelkarim, H. Salama, S. Abdel Latif,
O. Abou El Magd, *Alexandria, Egypt* 2628
- 3  **SUPPORTIVE TEXT MESSAGES FOR PATIENTS WITH ALCOHOL USE DISORDER AND COMORBID DEPRESSION - HOW USEFUL ARE THEY FOR THE PATIENTS**
V.I.O. Agyapong, J. Milnes, C.K. Farren, *Dublin, Ireland* 580
- 4  **6-MONTH OUTCOMES OF A SINGLE BLIND RANDOMISED TRIAL OF SUPPORTIVE TEXT MESSAGING FOR DEPRESSION AND COMORBID ALCOHOL USE DISORDER**
V. Agyapong, D.M. McLoughlin, C.K. Farren, *Dublin, Ireland* 581
- 5 **EFFECTS OF THE EDUCATION OF LIFE SKILLS ON THE REDUCTION OF MENTAL-BEHAVIORAL DISORDERS OF DEPRESSION, ANXIETY, STRESS IN STUDENTS**
T. Ahmadi Gatab¹, S. Seyednezhad Jeludar²,
A. Vahedi Ghajari³, Z. Ahy Jeludar², ¹*Qhaemshahr*,
²*Babol*, ³*Baladeh, Iran* 2603
- 6  **DEPRESSION AND METHADONE MAINTENANCE TREATMENT**
M. Andrijevic, M. Paunovic Manic, K. Seslija,
S. Bivolarevic, M. Miskovic, *Belgrade, Serbia* 1453

Poster Session 1

Addictive Behaviours (cont.)

Board No.

Abstract No.

- 7 **SECOND HAND SMOKING (SHS) IN AN INPATIENT PSYCHIATRIC UNIT**
A. Zografaki¹, M. Basta¹, C. Vardavas^{1,2}, N. Tzanakis¹,
C. Girvalaki¹, V. Koudas¹, A. Vgontzas¹, ¹Heraklion,
Greece, ²Boston, MA, USA 1351
- 8  **A FRENCH CASE SERIES OF TWENTY SYNTHETIC CATHINONES ABUSE**
A. Batisse, M. Fortias, I. Sec, M. Grégoire,
S. Djezzar, Paris, France 1627
- 9  **METHYLPHENIDATE ABUSE AMONG ICELANDIC I.V. SUBSTANCE ABUSERS**
G.D. Bjarnadottir, B.O. Rafnar, E. Sigurdsson,
S. Steingrimsson, H. Bragadottir, M. Haraldsson,
A. Magnusson, Reykjavik, Iceland
- 10  **STEROID HORMONES LEVELS IN ALCOHOL DEPENDENT PATIENTS UNDER CONDITIONS OF SOCIAL ISOLATION**
N. Bokhan, V. Gavrilova, S. Gusev, S. Ivanova, Tomsk,
Russia 1581
- 11 **REFERRAL OF HEROIN ADDICTS FROM SYRINGE EXCHANGE TO EVIDENCE-BASED TREATMENT - A RANDOMIZED CONTROLLED TRIAL**
M. Bråbäck, P. Isendahl, S. Nilsson, A. Hakansson,
Lund, Sweden 2826
- 12  **MANIC EPISODE IN THE CONTEXT OF TREATMENT WITH DISULFIRAM: DESCRIPTION OF CLINICAL CASE**
O. Campos, S. Gomes, M.L. Peixoto, Porto, Portugal 1164
- 13   **INTERNET ADDICTION AND SLEEP DISTURBANCE SYMPTOMS AMONG ADOLESCENTS**
F. Canan¹, O. Yildirm¹, G. Sinani², O. Ozturk³,
T.Y. Ustunel², A. Ataoglu⁴, ¹Bolu, ²Istanbul, ³Ankara,
⁴Duzce, Turkey 691

SPONSORS & EXHIBITOR PROFILES

AstraZeneca

Alderley House
Alderley Park
Macclesfield SK10 4TF
UK
www.astrazeneca.com

AstraZeneca is a global, innovation-driven biopharmaceutical business with a primary focus on the discovery, development and commercialization of prescription medicines for gastrointestinal, cardiovascular, neuroscience, respiratory and inflammation, oncology and infectious disease. AstraZeneca operates in over 100 countries and its innovative medicines are used by millions of patients worldwide.

BrainMarker

Molenweg 15a
Gulpen, 6271 JN
The Netherlands
www.brainmarker.com

BrainMarker connects brain and behavior by always bringing the latest knowledge from research into daily practice. Patients suffering from mental disorders exhibit changes in brain activity. Measuring this can help objectifying the diagnostic process and predicting (pharmacological) treatment outcomes. With the help of BrainMarker, clinicians and therapists who are not necessarily specialized in measuring and analyzing the brain using EEG, are now able to do so with BrainMarker's turnkey solution. The BrainMarker concept is not only based on scientific grounds but also very practical, easy to use and definitively affordable.

1st independent French pharmaceutical company

1st independent French pharmaceutical company. Over 20 000 employees. Nearly 3000 researchers preparing the drugs of the future.

25% of turnover invested in Research and Development.

44 new chemical entities currently under development in the following therapeutic fields: cardiovascular diseases, central nervous system and psychiatry, cancer research, diabetes and metabolism, and rheumatology. Present in 140 countries over 5 continents.

Brainsway LTD

19 Hartum St. Bynet Building
Har Hotzvim, Jerusalem
Zip code: 91451
ISRAEL
www.brainsway.com

Brainsway offers an effective, safe and non-invasive treatment for psychiatric and neurological disorders. Brainsway's Deep TMS technology was indicated by the FDA for treatment of Major Depressive Disorder. Furthermore, Brainsway's technology was indicated by the CE for treatment of Bipolar Disorder, Post-Traumatic Stress Disorder, Schizophrenia (negative symptoms), Parkinson's Disease, Chronic pain as well as Major Depressive Disorder. Brainsway's novel technology enables direct non-invasive activation of deep brain structures, with no significant side effects or systemic effects.

Brainsway's unique technology is based on patents filed by the National Institute of Health (NIH) and by the company.

The German Association for Psychiatry, Psychotherapy and Psychosomatics (DGPPN)

CPO HANSER SERVICE GmbH
Paulsborner Str. 44

Germany
www.cpo-hanser.de

The German Association for Psychiatry, Psychotherapy and Psychosomatics (DGPPN) invites you to the upcoming DGPPN Congress from 27 – 30 November 2013 in Berlin, Germany. This year's main theme is "From Therapy to Prevention". Join us and share your views with colleagues and specialists from all over Europe! For further information please visit the English website www.psychiatry-congress-berlin.org

26th ECNP Congress

Bolognalaan 28
3584 CJ Utrecht
The Netherlands

www.ecnp.eu / www.ecnp-congress.eu

“To enhance the science of the brain, promote better treatment and enhance brain health”

ECNP is an independent scientific association dedicated to translating advances in the understanding of brain function and human behaviour into better treatments and enhanced public health. ECNP organises a wide range of scientific and educational activities across Europe, promoting exchange of high-quality experimental and clinical research and fostering young scientists and clinicians in the field. The annual ECNP Congress attracts around 4,000-7,000 scientists and clinicians from across the world to discuss the latest advances in brain research in Europe’s largest meeting on brain science.

Ferrer

Diagonal 549, 5th floor
Barcelona 08029
Spain
www.ferrergrupo.com

Founded in 1959, Ferrer is a privately-held Spanish pharmaceutical company, with full vertical integration from R&D to distribution. It is present in more than 90 countries, with 27 international affiliates. Ferrer is active in the pharmaceutical, health, fine chemicals and food sectors, key areas for contributing to people’s health and quality of life.

In recent years, it has diversified across the whole healthcare spectrum, including prescription drugs, hospital products, molecular diagnostics, OTC and self-care. This diversification goes hand in hand with the setting-up and consolidation of strategic alliances. Ferrer’s main therapeutic areas include CNS, dermatology, cardiovascular, cancer, gastrointestinal, analgesics, bone metabolism, antibiotics, immunology, diagnostics, OTC and dermocosmetics.

The background of the entire advertisement features a large, stylized word 'Life' in a light teal color. The letters are composed of various geometric shapes and lines, giving it a modern, architectural feel. The 'L' and 'I' are formed by thick white outlines, while the 'f' and 'e' are formed by thinner white outlines. The background itself is a dark teal color with a complex pattern of white lines, circles, and hexagons, resembling a molecular or network structure.

DK-2500 Valby - Copenhagen
Denmark
www.lundbeck.com

Lundbeck – The Specialist in Psychiatry – Pioneer in Neurology

H. Lundbeck A/S (Lundbeck) is a global pharmaceutical company specializing in the treatment of disorders of the central nervous system (CNS).

As a research-based company, Lundbeck develops and markets new treatments against CNS diseases such as depression, bipolar disorder, schizophrenia, alcohol dependence, Alzheimer's disease, Parkinson's disease, Huntington's disease and epilepsy.

A man in an orange t-shirt and dark trousers is lifting a woman in a flowing orange dress into the air. They are positioned against a clear, deep blue sky. The woman's dress is billowing out, and her arms are raised. The man is looking up at her with a supportive expression.

Cipralex - the power to
tackle depression

Lundbeck  Cipralex[®]
escitalopram

CIPRALEX (escitalopram) - Abbreviated Prescribing Information

Presentation Film-coated tablets 5 10 15 20 mg, oral drops, solution 10 20 mg/ml and orodispersible tablets 10 20 mg.

Indication Treatment of major depressive episodes, Treatment of panic disorder with or without agoraphobia, Treatment of social anxiety disorder (social phobia), Treatment of generalised anxiety disorder, Treatment of obsessive compulsive disorder. **Dosage Adults:** The recommended starting dose is 10 mg once daily. Depending on individual patient response the dose may be increased to a maximum of 20 mg once daily. An initial starting dose of 5 mg once daily is recommended in the treatment of elderly (>65 years), in panic disorder and in patients with reduced hepatic function. **Children and adolescents (< 18 years):** Cipralex should not be used.

Discontinuation: Discontinue gradually over a period of at least one to two weeks to reduce the possibility of discontinuation symptoms.

Contraindications Hypersensitivity to escitalopram or to any of the excipients. Patients with known QT interval prolongation or congenital long QT syndrome. In combination with MAO-inhibitors or with medicinal products known to prolong the QT interval. Should not be used during pregnancy unless clearly needed and after careful consideration of the risk/benefit. Breast-feeding is not recommended.

Precautions Depression is associated with an increased risk of suicidal thoughts, self-harm and suicide. It is a general clinical experience that the risk of suicide may increase in the early stages of recovery. Close supervision of high-risk patients should accompany drug therapy. Patients (and caregivers) should be alerted about the need to monitor for any clinical worsening, suicidal behaviour or thoughts and unusual changes in behaviour and to seek medical advice immediately if these symptoms present. SSRIs should be avoided in patients with unstable epilepsy, and patients with controlled epilepsy should be closely monitored. SSRIs should be used with caution in patients with a history of mania/hypomania. Treatment with SSRIs may alter glycaemic control. Insulin and/or oral hypoglycaemic dosage may need to be adjusted. The use of SSRIs/SNRIs has been associated with the development of akathisia. Hyponatraemia has been reported rarely with the use of SSRIs. There have been reports of cutaneous bleeding abnormalities. There have been reports of QT interval prolongation and

ventricular arrhythmia including torsade de pointes, predominantly in patients of female gender, with hypokalemia, or with pre-existing QT interval prolongation or other cardiac diseases

Interactions Caution is advised when taken in combination with MAO-inhibitors or medicinal products known to prolong the QT interval, serotonergic medicinal products, products lowering the seizure threshold, lithium, tryptophan, St. John's Wort, oral anticoagulants or antiplatelet agents (NSAIDs), and products predominantly metabolised by the enzymes CYP2C19 and CYP2D6.

Undesirable effects Adverse reactions are most frequent during the first or second week of treatment and usually decrease in intensity and frequency with continued treatment. *Very common:* nausea.

Common: decreased/increased appetite, weight increase, anxiety, restlessness, abnormal dreams, libido decreased, anorgasmia, insomnia, somnolence, dizziness, paraesthesia, tremor, sinusitis, yawning, diarrhoea, constipation, vomiting, dry mouth, sweating increased, arthralgia, myalgia, ejaculation disorder, impotence, fatigue and pyrexia. *Uncommon:* weight decreased, bruxism, agitation, nervousness, panic attack, confusional state, taste disturbance, sleep disorder, syncope, mydriasis, visual disturbance, tinnitus, tachycardia, epistaxis, gastrointestinal haemorrhages (including rectal haemorrhage), urticaria, alopecia, rash, pruritus, metrorrhagia, menorrhagia, oedema. *Rare:* anaphylactic reaction, aggression, depersonalisation, hallucination, serotonin syndrome, bradycardia.

Not known: thrombocytopenia, inappropriate ADH secretion, hyponatraemia, anorexia, mania, suicidal ideation, suicidal behaviour, dyskinesia, movement disorder, convulsion, psychomotor restlessness/akathisia, electrocardiogram QT prolonged, ventricular arrhythmia including torsade de pointes, orthostatic hypotension, hepatitis, liver function test abnormal, ecchymosis, angioedemas, urinary retention, galactorrhoea, priapism. *Class effects:* Epidemiological studies, mainly conducted in patients 50 years of age and older, show an increased risk of bone fractures in patients receiving SSRIs. **Overdose** Cases of overdose with escitalopram doses between 400 mg and 800 mg have been reported without any severe symptoms. **Legal category** POM. **Date of preparation or last review** September 2012 **Full Prescribing Information is available from** H. Lundbeck A/S, Ottilavej 9, 2500 Valby, Denmark v.REG_00032101 1.0

MAG & More GmbH

Magnetic and Life Science Systems

Geisenhausenerstr. 11a

81379 Munich

Germany

www.magandmore.com

MAG & More GmbH is a German medical technology company that specialises in research, development and manufacture of cutting-edge technologies and products in the field of neurostimulation and 3D-neuronavigation. The focus on magnetic neurostimulation will provide an alternative therapy for patients who suffer from various neurological and psychiatric illnesses by improving their quality of life at a low cost.

The Magstim Company Ltd

magstim

Spring Gardens

Whitland

Carmarthenshire

SA34 0HR

UK

www.magstim.com

Magstim provides the means for neuroscientists to work with the human brain in awake subjects by manufacturing and supplying state-of-the-art clinical and research instruments. Magstim and Neurosign products cover the fields of neurology, neurophysiology, psychiatry and cognitive neuroscience as well as ENT, orthopaedic and neurosurgery.

Magstim maintains a strong commitment to R&D and product improvement. Collaborating with researchers in British and European major centres of expertise (as well as those in North America and Japan) ensures that Magstim remains informed about clinical and medical advances, enabling the company to develop products at the forefront of technology.

MagVenture A/S

Lucernemarken 15
DK- 3520 Farum
info@magventure.com
www.magventure.com

MagVenture's depression treatment system based on rTMS is simple, effective and easy to use for psychiatrists who wish to give patients an alternative to antidepressants. MagVenture offers the system as one-off purchase with no payment per use. Treatment quality, flexibility, consistency and patient comfort are key elements in the system which was the first to be CE-marked for treatment of Major Depression Disorder in adults. MagVenture A/S is a medical device company specializing in non-invasive magnetic stimulation systems. Visit MagVenture at stand #18.

I've got ADHD.

I've got it where
I want it.

¹Dose taken at 7am

Even at 13 hours post-dose, new once-daily Elvanse® [lisdexamfetamine dimesylate] improves his core ADHD symptoms.¹ Elvanse® provides consistent symptom control throughout his day.*²

For more information about Elvanse® and other Shire products visit www.fullattention.com

Elvanse® is indicated as part of a comprehensive treatment programme for attention deficit/hyperactivity disorder (ADHD) in children aged to 6 years and over when response to previous methylphenidate treatment is considered clinically inadequate.³

Elvanse® is not indicated in all children with ADHD and the decision to use the drug must be based on a very thorough assessment of the severity and chronicity of the child's symptoms in relation to the child's age and potential for abuse, misuse or diversion.³

Please consult the Elvanse® Summary of Product Characteristics (SmPC) before prescribing, particularly in relation to abuse and dependence, pre-treatment evaluation and ongoing monitoring, cardiovascular adverse events, psychiatric adverse events, tics, long-term suppression of growth (height and weight), seizures, visual disturbance, prescribing and dispensing, and use with other sympathomimetic drugs.

*Significant ADHD symptom control vs placebo at each measured time point, even at 13 hours post-dose.^{1,2}

Abbreviated prescribing information can be found on the adjacent page.

Lisdexamfetamine dimesylate is currently licensed in Brazil, Canada, the UK, Denmark and the USA.

 **Elvanse®**
(lisdexamfetamine
dimesylate) capsules
30 • 50 • 70 mg

CONSISTENT ADHD CONTROL, ALL DAY*. YOU'VE GOT IT.

Prescribing Information

ELVANSE 30mg, 50mg and 70mg capsules, hard.

(Before prescribing please consult the full Summary of Product Characteristics (SmPC).)

Active Ingredient: Lisdexamfetamine dimesylate 30mg, 50mg and 70mg.

Uses: ELVANSE is indicated as part of a comprehensive treatment programme for attention deficit/hyperactivity disorder (ADHD) in children aged 6 years of age and over when response to previous methylphenidate treatment is considered clinically inadequate. ELVANSE is not indicated in all children with ADHD and the decision to use the drug must be based on a very thorough assessment of the severity and chronicity of the child's symptoms in relation to the child's age and potential for abuse, misuse or diversion.

Dosage and Administration: *Children (aged 6 years and over) and adolescents:* For all patients the starting dose is 30mg taken once daily in the morning. The dose may be increased by 20mg increments, at approximately weekly intervals. ELVANSE should be administered orally at the lowest effective dosage. The maximum recommended dose is 70mg/day; higher doses have not been studied. *Administration:* ELVANSE may be swallowed whole, or the capsule opened and the entire contents dissolved in a glass of water. If the contents include any compacted powder, a spoon may be used to break apart the powder in the water. The contents should be stirred until completely dispersed. The patient should consume the full glass of water immediately; it should not be stored.

Long-term Use: Pharmacological treatment of ADHD may be needed for extended periods. The physician who elects to use ELVANSE for extended periods (over 12 months) should re-evaluate the usefulness of ELVANSE at least yearly, and consider trial periods off medication to assess the patient's functioning without pharmacotherapy, preferably during times of school holidays.

Contraindications: Hypersensitivity to sympathomimetic amines or any of the excipients, concomitant use of monoamine oxidase inhibitors or within 14 days after MAOI treatment, hyperthyroidism or thyrotoxicosis, agitated states, symptomatic cardiovascular disease, advanced arteriosclerosis, moderate to severe hypertension, glaucoma.

Warnings: Stimulants including ELVANSE have a potential for abuse, misuse, dependence or diversion for non-therapeutic uses that physicians should consider when prescribing these products. Stimulants should be prescribed cautiously to patients with a history of substance abuse. Monitor cardiovascular status carefully as sudden cardiac or unexplained death has been reported. Monitor psychiatric status as treatment may exacerbate symptoms of behaviour disturbance and thought

disorder in patients with pre existing psychotic disorders. Particular care should be taken when using stimulants to treat ADHD patients with comorbid bipolar disorder because of concern for possible induction of mixed/manic episode. ELVANSE is associated with worsening or emergence of aggressive behaviour, onset or exacerbation of tics, worsening of Tourette's syndrome, worsening of pre-existing anxiety, agitation or tension. Use with caution in epileptics as may increase frequency of seizures.

Precautions: Monitor weight, growth, blood pressure. Difficulties with accommodation and blurring of vision have been reported with stimulant treatment. ELVANSE should be used with caution in patients who use other sympathomimetic drugs. The least amount of ELVANSE feasible should be prescribed or dispensed in order to minimise the risk of possible overdose by the patient.

Level 3 of the Acropolis Congress Centre,
on Sunday 7th April at 12.30 - 13.15
to find out more...**

The background of the lower half of the poster features a large, semi-transparent globe showing the continents of Europe and Africa. To the left of the globe, there are blurred silhouettes of three people in business attire standing and talking. The entire scene is set against a light blue and white background with abstract blue and orange curved shapes at the top and bottom.
