

“Gaining experience - EPA programme for young psychiatry specialists”

Ludwig-Maximilians-University, Dept. of Psychiatry and Psychotherapy (Munich, Germany)

Type of observership placement:

Clinical - Observership placements will be offered at our Research Ward with a close linkage between health care and clinical studies.

Academic - The participant will be integrated in all academic events.

Research - Possible Placements in all our labs are possible and have to be negotiated on a case-to-case basis with the specific lab leaders.

<http://www.klinikum.uni-muenchen.de/Klinik-und-Poliklinik-fuer-Psychiatrie-und-Psychotherapie/en/forschung/index.html>

Combined - possible

Duration of placement:

From 2 weeks to 8 weeks. After an initial observership placement a concluding discussion with the participant may take place where a second and longer stint can be subject of the conversation.
