Not available

**Contact person:**

Dr Julian Beezhold, Consultant

**Head of the hosting institution:**

N/A

**Any limitations for the participant:**

Will require a couple of months notice to organise.

**Any other important information:**

Beautiful historic area  
 Friendly and highly innovative service  
 Very highly rated by previous participants  
 Clinical area is emergency psychiatry = acutely unwell patients treated both in hospital and with a 24/7 hospital at home service  
 Research interests are mainly health services research including staff wellbeing, service design and outcomes, risk assessment etc  
 Participants will be expected to publish (and assisted to do this!)  
 Programme will be designed to meet the needs and interests of the individual participant
